

ERASMUS

For my Erasmus trip I traveled to Italy to the beautiful city of Nicosia. It was a wonderful trip and a very good opportunity to meet new people, learn new culture and language. Everyone of them welcomed us warmly and treated us like a family. Together with my friends we spent a lot of time in the city where we did a lot of sightseeing and discovered a lot of interesting and very nice places, we also tried Italian cuisine and even had a chance to visit Palermo. In Nicosia we went to a place where we were able to see how mozzarella cheese, ravioli pasta and bread are being crafted. It was a great show and I must say it looked like some kind of an art! We also had a lot of time to party, dance and have fun together. I'm extremely happy that I had an opportunity to meet such a nice and open-minded people. I can't wait to meet them again!
